

Course Title	Integrated Clinical Seminar I				
Course Code	DES545				
Course Type	Compulsory				
Level	Bachelor (1 st Cycle)				
Year / Semester	5 th year / 9 th semester				
Teacher's Name	TBA				
ECTS	2	Lectures / week	N/A	Clinic / week	6 hrs / 14 weeks
Course Purpose and Objectives	Clinical seminars offer a regular forum for trainees to present, discuss and reflect on the clinical work they are undertaking on placement. The aim is to encourage discussion of this material from a clinical and a professional perspective.				
Learning Outcomes	<p>Upon successful completion of this course students should be able to:</p> <ul style="list-style-type: none"> • Develop theory-practice links (identifying the ways in which psychological models and theories can help to understand the clinical material). • Develop the concept of four-handed dentistry and the ways in which it can be implemented in the practice. • Generate hypotheses about the presentation and of potential formulations which could help to guide plans for intervention • Describe the social contexts and systems in which the client's presentation, referral and difficulties are located. • Describe the broader professional contexts within which casework takes place, and the impact of this on the presentation and the ways in which the intervention has progressed • Evaluate the acceptability of the intervention for service users and whether the service context itself might influence the ways in which clients present and respond to treatment • Discuss any professional and ethical issues raised by the casework, cross-referring to the codes of conduct and ethical practice. 				
Prerequisites	None		Co-requisites	None	

Course Content	Because trainees present clinical material from their current placement, the course seminar content will encompass a wide range of clinical populations, clinical contexts and clinical approaches.	
Teaching Methodology	Face-to-face	
Bibliography	According to the subject to be presented.	
Assessment	Laboratory / Clinical Work / Oral presentations	50%
	Participation	50%
	Total	100%
Language	English
